

Roma Elite

home theater seat

HCM's new Roma Elite Home Theater seat with its functional versatility and understated beauty.

Featuring automotive inspired bucket seating, which provides an incredibly comfortable seating surface allowing you to sit for hours in complete relaxation.

This model offers an arm storage compartment great for your different accessories or add on the optional removable swivel tray table or tablet holder, the storage configurations and options for the Roma Elite are endless.

This model also offers optional blue LED lighted cupholders and baserail for a true cinematic experience.

Turn up the excitement and have the optional wireless bass shaker installed and feel all the action firsthand.

Choose from a variety of colours and materials in either leathers or fabrics.

Features

How We Measure

Height - measured from the highest point of the back pillow to the floor.

Depth - measured from the front edge of the seat cushion to the top of the back.

Width - measured from the widest point of the arm or arm pillow to the widest point of the opposite arm or arm pillow.

Arm Height - measured from the top of the arm to the floor.

Seat Height - measured from the crown of the seat cushion to the floor.

For leather options see the upholstery sheet
