SAVANT APP

AVAILABLE ON APP STORE OR GOOGLE PLAY

Enjoy a premium home automation experience with the breakthrough Savant App. Designed to work with our new family of wireless devices and a curated set of partner products, the app lets you do more jobs faster—and gives you happier customers with more control over their Savant Homes than ever before.

SAVANT HOST + SAVANT APP

The Savant App lets you easily change which devices are controlled by the Blaster, so new equipment can be paired with the touch of a button.

SAVANT PRO APP

AVAILABLE ON APP STORE OR GOOGLE PLAY

Setting the standard in automation apps, our Pro App is sleek, easy to navigate, and gives homeowners incredible, personalized control of their lighting, climate, shades, entertainment, security, and more.

SMART HOST + SAVANT PRO APP

An ideal combination of control and personalization perfect for most customers—with the full Savant experience at an amazing value.

PRO HOST + SAVANT PRO APP

An incredible combination of customization and personalization for bigger homes, and the families that live in them.

TRUECONTROL APP

AVAILABLE ON APP STORE

Our original, award-winning automation app can control specialized devices and offers incredible customization options for Authorized Integrators.

PRO HOST + TRUECONTROL

This powerful combination is designed for the most unique homes, and owners who desire virtually limitless scalability and customization.
